

ISO CERTIFIED 9001:2015

श्री SHRINATH INDUSTRIES
"Turning Concepts into Reality."
ENGINEERING SOLUTIONS

MANUFACTURING OF ENGINEERING COMPONENTS

- Machining Components
- Castings Components
- Fabrication Components,

www.shrinathindustry.com

ISO CERTIFIED 9001:2015
GST NO.: 27DJXPS9645JIZW

WE SPECIALIZED IN

- ✓ Die (Mould) Designing
- ✓ Die (Mould) Making
- ✓ Die Casting
- ✓ CNC / VMC Machining
- ✓ Fabrication

We, Gravity die casting industries are fast growing manufacturers of

- ✓ Intricate Casting
- ✓ Heavy Casting
- ✓ Gravity Die Casting
- ✓ Pressure Die Casting
- ✓ Flameproof Quality Casting

We provide wide range products and vast experience to meet the needs of customers.

ABOUT THE COMPANY

We established company in 2018 with a small team, in 2020, We started In-house Die making facility. Gravity Die Casting & Pressure die casting started from 2024 respectively. Now, in 2025, We entered into Global market. Constant upgrade on in facility and knowledge along with Technological Experts has made Gravity die casting industries an Expert in industrial engineering.

100% Inspection of finished products with use of measuring instruments and gauges is performed and documented.

With Planning and communication we always ensure to deliver the product on time.

We are having a huge experience in the field of Casting & CNC - VMC machining services

COMPANY OVERVIEW

The prime objective of this division is to provide precision-machined components and cater to the need of various kinds of industries including parts for Pharma Machine Manufactures, machine components, Railway Locomotive Parts, Injection molding machines components Automotive, Aerospace & Defense. We are Service Provider of all types of Casting & Machining Works.

Our Vision And Mission

At Shrinath Industry, we are committed to excellence in high-precision parts manufacturing. Our mission is to deliver superior-quality components that meet and exceed the expectations of our clients across diverse industries. Through continuous innovation, advanced technology, and a customer-centric approach, we strive to ensure precision, reliability, and efficiency in every product we create.

Our dedication to quality and service drives us to be a trusted partner in manufacturing solutions worldwide.

Let me know if you'd like any modifications!

Our

LIST OF MACHINERY

- CNC Turning Lathe Machine
- VMC Milling Machine
- Conventional Turning Lathe machine
- Bandsaw (Cutting) Machine.
- Buffing Machine
- Welding Machine
- Bending Machine
- Melting Furnace for Casting
- Vertical Bandsaw (Cutting) Machine
- Double Side Belt Grinder Machine

FACTORY ADDRESS

Unit No.1 (Machine Shop):

Gala No. 6, Vinayak Industrial Estate,
Near Gaurdwel Company, Chichpada,
Vasai (E), Palghar - 401208,
Mumbai, Maharashtra, India.

FACTORY ADDRESS

Unit No.2 (Foundry):

Survey No. 25/1, Gala no. 26,
phanaspada, waliv, Vasai (E),
Palghar 401208,
Mumbai, Maharashtra, India.
